Dear Sir,

In March 2019, I called your company because of the recommendation of our Realtor, Thomas Towns. I dealt with Johnny and he was an absolute joy to work with. Organized, professional and efficient. I was well taken care of. On March 29th, the "A" team came to our trailer in Holiday and we were loaded and on the road in 45 minutes.

Brian & his partner were incredible. So fast and efficient - I was in awe of their ability to get things completed in such

a timely manner. I will recommend them and your company to everyone who needs assistance with their move.

Johnny kept me enjoined and helped keep on track with our complicated move.

He will be back in Florida in October & will be by with my promised home-made cinnamon rolls. I look forward to meeting you in person at that time. Thanks for a wonderful experience!

P.S. I don't twitter, tweet or face book, thus the hand written letter!!
